CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Personal Auto Policy Forms and Endorsements

By Circular Letter To All Member Companies dated October 26, 2006, this Bureau announced the approval of numerous revisions to the Personal Automobile Policy Program. With that Circular, it was indicated that the North Carolina Personal Auto Policy forms and endorsements would be available on the Rate Bureau website in Word format for downloading. The forms and endorsements are now available at our website at www.ncrb.org. Click on Personal Lines Services on the left side of the home page and then click on Personal Auto Policy Forms and Endorsements to access these forms.

The Personal Auto Policy forms and endorsements will be available on the Rate Bureau public website for approximately two weeks before being moved to a secured website that will require a login and password for access. This is part of the Rate Bureau's migration to a new secure web server. A circular letter will be distributed in the very near future for directions on obtaining a login and password.

Please see to it that this Circular Letter is brought to the attention of all interested personnel.

Very truly yours,

F. Timothy Lucas

Personal Lines Manager
