CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Revised Mobile Homeowners Rates and Rules for MH(F) and MH(C) Programs

On February 26, 2021, the Rate Bureau filed with the Commissioner of Insurance proposed revised premium rates and program changes for Mobile Homeowners insurance subject to the Rate Bureau's jurisdiction. The Rate Bureau's filing proposed (1) a statewide average rate level increase of +11.3% for MH(C) coverages combined and an increase of +24.9% for MH(F) Owners and Tenants coverages combined; (2) rate levels varying by territory within the state according to the loss experience for each territory; (3) revised windstorm and hail exclusion credits; (4) new deductible options; and (5) revised amount of insurance relativities for MH(C).

The Rate Bureau and the Department of Insurance have negotiated an agreement as to the rate level revisions and on November 4, 2021, the Commissioner of Insurance signed a Settlement Agreement and Consent Order resulting in (1) revised overall base rates that achieve an approved overall statewide average rate level increase of +4.7% in the MH(C) program and +12.5% in the MH(F) program; (2) rate levels varying by territory; (3) no changes to windstorm and hail exclusion credits; (4) new deductible options; and (5) changes to the current rating relativities for Amount of Insurance (AOI) for the MH(C) program; and 6) a change in the effective date to May 1, 2022.

The above changes are set forth in the following:

- Revised and clean Mobile Homeowners Policy MH(C) Program Manual
- Revised and clean Mobile Homeowners Policy MH(F) Program Manual

The approved changes are to be implemented in accordance with the following Rule of Application:

These changes are applicable to all new and renewal policies becoming effective on or after May 1, 2022.

The enclosed exhibits are intended to enable you to implement the approved revisions contained in this circular letter in accordance with the above Rule of Application.

In connection with the implementation of the revised rates, your attention is further directed to G.S. 58-36-30(a) which provides in part as follows:

....no insurer and no officer, agent or representative of an insurer shall knowingly issue or deliver or knowingly permit the issuance or delivery of any policy of insurance in this State that does not conform to the rates, rating plans, classifications, schedules, rules and standards made and filed by the Bureau. An insurer may deviate from the rates promulgated by the Bureau if the insurer has filed the proposed deviation with the Bureau and the Commissioner, if the proposed deviation is based on sound actuarial principles and if the deviation is approved by the Commissioner....

Your attention is also directed to G.S. 58-36-45 which provides in part as follows:

Whenever an insurer changes the coverage other than at the request of the insured or changes the premium rate, it shall give the insured written notice of such coverage change or premium rate change at least 15 days in advance of the effective date of such change or changes with a copy of such notice to the agent. This section shall apply to all policies and coverages subject to the provisions of this Article. ...

In the past, some insurers have given notice of premium rate changes by providing to an insured and agent, at least 15 days in advance of the effective date, a renewal policy, renewal certificate, billing or endorsement showing revised rates, together with a written notice substantially as follows:

NOTICE OF RATE CHANGE - NORTH CAROLINA

The premium for this policy reflects changes in rates applicable to North Carolina placed into effect under the provisions of Article 36, Chapter 58 of the North Carolina General Statutes.

The form of this notice has varied at the option of the insurer (printed notice, stamp, stick-on label, etc.). Companies should consult legal counsel with respect to the appropriateness of their own procedures under this statute. It is important that each Company establish procedures that will insure continued compliance with the 15-day advance notice requirement.

Please see to it that this circular is brought to the attention of all interested personnel in your company.

Sincerely,

Andy Montano

Director, Personal Lines

**WINDSTORM OR HAIL DEDUCTIBLES
TERRITORY GROUPS 1 AND 2 ONLY**

The Windstorm or Hail Deductible options are used in conjunction with the deductibles applicable to All Other Perils. This option provides for higher dollar deductible amounts of \$1,000, \$2,000, ~~and~~ \$5,000, 1%, 2%, or 5% when the higher deductible amount selected exceeds the deductible applicable to All Other Perils.

An endorsement is not required. Separately enter on the policy declarations the deductible amounts that apply to Windstorm or Hail and All Other Perils. For example: Deductible - \$500 except \$1,000 for Windstorm or Hail.

The factors displayed incorporate the factors for the All Perils Deductibles. Do not use the factors for the All Perils Deductibles when rating a policy with a higher Windstorm or Hail deductible.

1. TERRITORY ASSIGNMENTS

If a territory shown is defined in terms of United States Postal Service (USPS) ZIP code:

A. Determine the applicable rating territory based on the location of the dwelling.

B. An insured's rates shall not be changed solely because the USPS changed his or her ZIP code and the physical boundaries of a rating territory shall be determined by the ZIP code boundaries in effect at the time of the latest rate filing defining the territory. Territory boundaries in North Carolina are concurrent with USPS ZIP code boundaries in effect as of **July 1, 2013**. If the USPS introduces a new ZIP code or realigns a ZIP code boundary after **July 1, 2013**, the new ZIP code may not yet be listed in Rule **2.C**. If this is the case, assign the rating territory based on the ZIP code boundary that formerly applied to the dwelling before the USPS changed the ZIP code.

2. TERRITORY DEFINITIONS – (For all Coverages and Perils Other than Earthquake).

Assign the applicable territory using the following order of priority:

A mobile home is defined as a factory fabricated, transportable permanent housing unit, which is at least 8 body feet in width or 32 body feet in length, built on a chassis and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities. It may be equipped with one or more room sections that fold, collapse or telescope into the principal unit when being transported and which can be expanded at the site to provide additional living area. Running gear consisting of wheels and tires may be removed while it is being lived in, but can be readily re-installed.

2. Policy and Forms

Coverage will be written on the Mobile Home Owner Policy MH(C) Form which will consist of:

- a. Mobile Home Owner Policy MH(C), plus
- b. Mobile Home Owner Policy - Page One, or;
- c. Required endorsements, if any.

3. Terms Rule

The policy may be written for a maximum of seven years (84 months) at the Term Factors shown in the Rate Section. If a policy is issued for a period of less than twelve months and for a term not shown in the Term Factor chart it will be written short rate and the premium for the policy shall be computed in accordance with the short rate table, except that in the following circumstances the premium will be computed pro rata:

- a. When coverage is afforded to secure a common inception date with other coverages or lines of insurance.
- b. To replace an outstanding policy of a company in liquidation, provided a new policy is based upon the rules and rates in effect at the time replacement is made and will be in effect for a period equal to the unexpired term of the outstanding policy.

If a policy is issued for a period of more than twelve months and for a term not shown in the Term Factor chart, it will be computed at the full premium for each full year and pro rata for any portion of a year.

4. Premium Rules (General)

The premium will be rounded to the nearest whole dollar. A premium involving \$0.50 or over will be rounded to the next whole dollar.

**WINDSTORM OR HAIL DEDUCTIBLES
TERRITORY GROUPS 1 AND 2 ONLY**

The Windstorm or Hail Deductible options are used in conjunction with the deductibles applicable to All Other Perils. This option provides for higher dollar deductible amounts of \$1,000, \$2,000, \$5,000, 1%, 2%, or 5% when the higher deductible amount selected exceeds the deductible applicable to All Other Perils.

An endorsement is not required. Separately enter on the policy declarations the deductible amounts that apply to Windstorm or Hail and All Other Perils. For example: Deductible - \$500 except \$1,000 for Windstorm or Hail.

The factors displayed incorporate the factors for the All Perils Deductibles. Do not use the factors for the All Perils Deductibles when rating a policy with a higher Windstorm or Hail deductible.

1. TERRITORY ASSIGNMENTS

If a territory shown is defined in terms of United States Postal Service (USPS) ZIP code:

A. Determine the applicable rating territory based on the location of the dwelling.

B. An insured's rates shall not be changed solely because the USPS changed his or her ZIP code and the physical boundaries of a rating territory shall be determined by the ZIP code boundaries in effect at the time of the latest rate filing defining the territory. Territory boundaries in North Carolina are concurrent with USPS ZIP code boundaries in effect as of **July 1, 2013**. If the USPS introduces a new ZIP code or realigns a ZIP code boundary after **July 1, 2013**, the new ZIP code may not yet be listed in Rule **2.C**. If this is the case, assign the rating territory based on the ZIP code boundary that formerly applied to the dwelling before the USPS changed the ZIP code.
