CIRCULAR LETTER TO ALL MEMBER COMPANIESRe: Workers Compensation Insurance
Update of Circular C-09-10

The North Carolina Rate Bureau released circular C-09-10 on April 7, 2009. Subsequent to the release of this circular, it was determined that it was necessary to make some changes to the *Workers Compensation Insurance Plan* (WCIP) document attached to the circular. Those changes have been made, and the North Carolina Rate Bureau recommends that carriers review [C-09-10](#), which has now been updated to include a corrected WCIP.

Contact the Information Center at 919-582-1056 or via email at wcinfo@ncrb.org, if you require additional information.

Sincerely,

Sue Taylor

Director of Insurance Operations
