CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Item B-1366 (Amended) - Revisions To
Admiralty and Federal Employers' Liability
Act Classifications

Item B-1366 was previously adopted by the Bureau and approved by the North Carolina Commissioner of Insurance to become effective July 1, 2000. Details regarding Item B-1366 were included in the Rate Bureau's Circular Letter To All Member Companies (C-00-9) dated May 5, 2000.

The original filing of Item B-1366 did not include complete increased limit tables, was unclear with regard to the effective date and has been withdrawn.

Item B-1366 (Amended) has now been adopted by the Bureau and approved by the North Carolina Commissioner of Insurance. The attached Filing Memorandum includes appropriate increased limits tables and clarifies the effective date rule, which should have been effective coincident with the first approved rate filing after July 1, 2000.

Item B-1366 (Amended) has been approved to become effective April 1, 2001, applicable to new and renewal business only.

Very truly yours,
