CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Workers Compensation Insurance

**Item U-1288 - Strike Duty Premium
and Loss Reporting Instructions**

The Bureau has adopted and the North Carolina Department of Insurance has approved a proposal to eliminate the Workers Compensation Statistical Plan procedure for reporting strike duty premium charge under Statistical Code 0111 for Classification Code 7720.

Item B-1287, which was adopted by the Bureau and approved by the Department of Insurance effective September 1, 1992, deleted the footnote to Classification Code 7720 which had provided for a per day premium charge for strike duty. The captioned Item now eliminates an obsolete procedure for reporting strike duty premium and losses in connection with detective or patrol agencies.

Item U-1288 has been approved in North Carolina effective March 1, 1994.

Very truly yours,

Jerry G. Hamrick
