CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Workers Compensation Insurance

Item B-1333 - Revisions of Basic Manual Classifications and Related Rules

The Bureau has adopted and the North Carolina Commissioner of Insurance has approved proposals to (i) eliminate several admiralty classifications and reassign their phraseologies as cross references to admiralty classifications that will be continued and (ii) adopt Basic Manual Rule IV-D.13 to clarify the classification procedure for recycling operations.

The attached Filing Memorandum describes the changes that have been approved to become effective January 1, 1997, applicable to new and renewal business only.

Reprinted Manual pages will be distributed in the usual manner.

Very truly yours,

Jerry G. Hamrick

Workers Compensation Manager
