Re: Workers Compensation Insurance
Item U-1344 - Workers Compensation Statistical Plan
Special Fund & Subrogation Recoveries

The Bureau has adopted and the North Carolina Commissioner of Insurance has approved a proposal to amend the data reporting procedures of the Workers Compensation Statistical Plan to clarify and simplify the reporting of second injury fund and subrogation recoveries.

The attached Filing Memorandum describes the changes which have been approved to become effective April 1, 1999, applicable to new, renewal, outstanding and expired policies.

Very truly yours,

Jerry G. Hamrick
