CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Workers Compensation Insurance
Item R-1350 - 1998 Table of Insurance Charges

The Rate Bureau has adopted and the North Carolina Commissioner of Insurance has approved a proposal to update the Table of Insurance Charges and the State and Hazard Group Relativities.

The revised Hazard Group differentials will be included on updated State Rate Pages in the Retrospective Rating Plan Manual. Additionally, the new Table of Expected Loss Ranges and a revision to the Appendix will be included in the Retrospective Rating Plan Manual.

The Table of Insurance Charges will be on file with the Department of Insurance and available for use by NCCI-licensed affiliates, but will not appear in the Manual.

The changes proposed by NCCI Item R-1350 have been approved to become effective April 1, 1999, applicable to new and renewal business only.

Very truly yours,

Jerry G. Hamrick
