CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Territory Code Editorial Corrections
Dwelling Policy Program

The Commissioner of Insurance recently approved revised Dwelling Manual Rate Pages DP-R-16-18 and DP-R-19 for use in North Carolina with the Dwelling Policy Program.

It has come to our attention that Territories 32-35, 41, and 36-40 were not amended to the new territory definitions that were effective with the dwelling rate level change that took effect on November 15, 2003 (PC063468). This is an editorial change only and does not affect rates.

For your convenience, attached is a revised copy of Pages DP-R-16-18 and DP-R-19.

This change becomes effective in accordance with the following Rule of Application:

This change is applicable to all new and renewal policies effective immediately.

Please see to it that this circular is brought to the attention of all interested personnel in your company.

Very truly yours,

F. Timothy Lucas
