CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Workers Compensation February Policy Data and USR Fines

During the last two weeks of February, the North Carolina Rate Bureau offices were closed for a total of five days. To ensure that member companies are not adversely impacted by our recent office closures, the Bureau will not issue February fines for Policy Data or USR's. This decision was made due to the impact the recent weather and office closures have had on Bureau operations.

Fining will resume for the month of March.

Please share this information with all impacted parties within your company.

If you have any questions regarding the fining process, contact the Information Center at 919-582-1056 or email at wcinfo@ncrb.org.

Sincerely,

Delisa D. Fairley, AINS, WCP
