CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Workers Compensation
North Carolina State-Specific Endorsement
WC 32 06 03 - Non-Insurance Goods and/or Services

The North Carolina Rate Bureau has filed and the North Carolina Commissioner of Insurance has approved a new state-specific endorsement. This endorsement has been approved with an effective date of July 30, 2018. It is **optional**, and may be used for all new and renewal voluntary and assigned risk policies with an effective date on or after July 30, 2018.

The purpose of the Non-Insurance Goods and/or Services Endorsement (WC 32 06 03) is to inform the policyholder that as part of the policy in which it is attached, specific non-insurance goods and/or services as outlined in the endorsement schedule, are being offered by a third party vendor.

The North Carolina Non-Insurance Goods and/or Services Endorsement (WC 32 06 03) will allow carriers to provide value-added services to policyholders by making them aware of discounted pricing on goods and services while staying in compliance with the NC Anti-Rebate Laws (GS 58-33-85) and (GS 58-63-15) as outlined below:

No insurer, agent, broker or limited representative shall pay, allow, or give, or offer to pay, allow, or give, directly or indirectly, as an inducement to insurance, or after insurance has been effected, any rebate, discount, abatement or credit, or reduction of premium named in a policy of insurance, or any special favor or advantage in dividends or other benefits to accrue thereon, or any valuable consideration or inducement whatever, not specified in the policy of insurance.

No premium impact or charge is associated with this form.

A copy of the endorsement is attached to this circular and available in the Endorsement/Forms Listing of our website at www.ncrb.org.

If you have any questions, contact the NCRB Information Center at 919-582-1056 or via email at winfo@ncrb.org.
