ANNOUNCEMENT

March 21, 2014

To: CDX PEEP Users

From: CDX Management

Re: **CDX RESCINDS THE DECEMBER 31, 2014 SUNSET OF PEEP**

In October 2012, CDX issued an announcement advising that the PEEP product would no longer be available after December 31, 2014. Since that time, an increasing number of carrier users have expressed concerns over losing the functionality that PEEP provides.

In addressing these concerns, and to make sure our memberships are adequately served, the Management of CDX has, therefore, decided not to sunset PEEP on December 31, 2014 and, instead, to retain it in our suite of products.

CDX remains committed to delivering the best service possible and to be responsive to the needs of our members.
